Main Speaker Bio Meet the Smiths!

The Lord brought Steve and Laura Smith together in 1983, and they've been ministering together ever since. First, uprooting and moving to California in 1987 to plant a church in the inner city using the T4T method ("Training for Trainers") and later they uprooted from C.A. to move to Asia, where they've lived since 1997. They have 3 sons who were primarily raised in Asia: Cris, age 26, in med school; Josh, age 24, a business analyst; and David, age 22, in law school.

Please Pray...

- For Christ to remain the center of the week and that He would be glorified and worshipped.
- For wisdom for the Smiths as they speak and teach.
- For the speakers and mission reps to stay healthy and safe and for spiritual protection during the week.
- For continued growth in the Smith's ministry and the ministry of the representatives and missionaries on campus.
- That we would remain open and allow God to change our attitudes and views regarding His mission and our place in it.
- That what we learn during WCW would not be confined to one week but would have a lifelong impact.

We couldn't have done it without you!
